

STATEMENT OF PURPOSE

RS29080 / H0516

The purpose of this legislation is to clarify statute language changes made in the 2021 Legislative session. The clarifications are to allow Public Health Districts to establish a personnel system to support rates of pay for appointments, promotions, demotions, and separations and to perform such other personnel actions as are needed. It also removes reference to the requirements of chapter 53, title 67, Idaho Code since Public Health District employees are no longer considered state employees.

FISCAL NOTE

This legislation will have no impact on the state's General Fund or any dedicated fund or federal fund because it only adds clarification to the statute change made during the 2021 Legislative Session, effective March 1, 2022.
